

Made for Arnebhall Bros. Socy.

*From the Pyramid of Cheops one looks down on that of Khafra; beyond the rippling sand dunes extends the fertile valley of the Nile*

Photo, Donald McLeish

La Vie pittoresque en Orient. — Home-life in the East, N° 23

La grande pyramide se reflète dans la plaine couverte par l'inondation. Les barques et les felouques voguent où croissait naguère le blé et le dourrah.

The great pyramid is reflected in the Nile, which is covered by the Nile-floot, boats & reisboats can now still wade corn & durrah were growing some weeks before.

Gizeh. Pyramide de Chéops. — The big Pyramid.
